# Prophecy

In the year of 1985, the graduating class of 1975 met at "J.R.'s Place" to discuss our greatly messed up lives.

KIM ADAMS—She was recently selected as Queen of the Peach Growers Association after competing several years against her sisters.

STEPHANIE ANDRUS—She has just opened a school for teaching cheers to young girls who wish to become cheerleaders. Now if only someone would teach her.

TERRI BACHMAN—She is now a full-time housewife. She stays busy caring for her Baby Nortons.

CINDY BRIAN has her own school for teaching people how to learn speed reading in an easy two years.

ANDREA BROOKS is fully employed by baby-sitting her husband, whoever he may be.

DAVID COLLINS now has his own lot selling used cars at new car prices.

KITTY COLLINS has gone into partnership with her mother in her beauty shop. Now if she could only learn how to go from sweeping floors to fixing hair.

J. R. DeMERS—After one drink too many and one curb too fast, J. R. made two turns too many and is no longer with us. He willed to the town of Petrolia his progressive pool hall.

MARK ELLEDGE is now fully employed at the Petrolia Memorial. He makes a great janitor.

CAROL GEIS has been united with her dream of the past years. She was rehired as a maid at Holiday Inn.

ALAN GLASGOW—After 9 years, he finally received his teaching degree in vocational agriculture. Now he will be going after Mr. Burkett's job at Petrolia High.

CHRISTI GREEN is spending most of her time at home taking care of her many children. Now all she needs is a husband to help her support them.

KATHY HABERMAN has just become the proud mother of twin Haby-Babies.

KATHY HALL is still being chased by these younger men. Last word was she was caught.

HOWARD HARRISON and his lovely wife, Leslie, just returned from a tour of the United States wheat farms.

TROY INMAN was just admitted to the Betty Crocker Hall Of Fame as King Donut.

RENEE MAHLER—She and her husband are living on their ranch in Dundee, only she is the ranch foreman.

TOM McAFEE—He has gone into an early retirement with a \$25,000 pot. He married rich.

TRACIE OVERSTREET—She has finally settled down with a husband and five boy friends.

LUTHER RILEY & DEANA PATTERSON—He has now taken over mayorship of Petrolia with the help of Deana. She gives him suggestions on how to run the town.

ROBERT PATTERSON—He finally decided to go to school long enough to graduate.

SHARON PETTIT—She is now executive secretary of the Petrolia Independent Schools.

DARRELL PICKERING—He is now sole owner of Pickering's Pizza Place in the great metropolis of Petrolia.

DELORAS RIDINGER—She is now working faithfully beside her husband, Billy, on their ranch. She loves stomping through good country earth!

PAUL RIDINGER—He owns a dairy and is teaching "Little Grits" the special "Grit-look" technique.

JERRY SIMMONS—He owns a chain of Texaco stations and is down to a slim 160 lbs. Keep on trucking, Tiny!

MELISSA VAN HUSS—She has recently been named "Wife of the Year" of the Fireman's Association.

CECIL WATSON—He is now head water boy of the New York Knicks.

PAM WRIGHT—She is now a fine Registered Nurse taking care of her husband, Gary.

MICHAEL WYATT—He is still working for North Gate International trying to figure out how to put the engine back into a truck.
